ARCTICA

by VFM DESIGN

The warmth of Wool, embodied in the soul of the Arctic.

A collection where texture takes the lead and tactility defines elegance. ARCTICA draws inspiration from alpine serenity and sculpted landscapes, offering a curated range of Wool and Wool blend fabrics that balance structure with softness, warmth with refinement.

From plush bouclés and brushed checks to bold weaves and tailored herringbones, each fabric in the collection is crafted to add depth, dimension, and character to interior spaces. Muted palettes, rhythmic patterns, and nuanced surfaces work together to create a quietly powerful aesthetic—inviting yet elevated, grounded yet expressive.

Engineered for both decorative and functional applications, ARCTICA combines visual richness with performance, making it ideal for cushions, accent upholstery, and light furnishings.

BLANCO

The weight of soft snow.

BLANCO showcases a plush, bouclé-inspired structure that embraces softness and depth. Its cloud-like texture and loosely gridded surface, in a wool-polyester blend, deliver a tactile presence ideal for decorative cushions or accent pieces. Despite its airy visual, BLANCO, features a backing that holds structure well and maintains a cozy yet refined look, suited for light-use furnishings.

Keywords: Plush, boucle-inspired, wool-polyester, decorative accents, tactile, texture.

Article Reference	BLANCO 3211

Care Instructions				

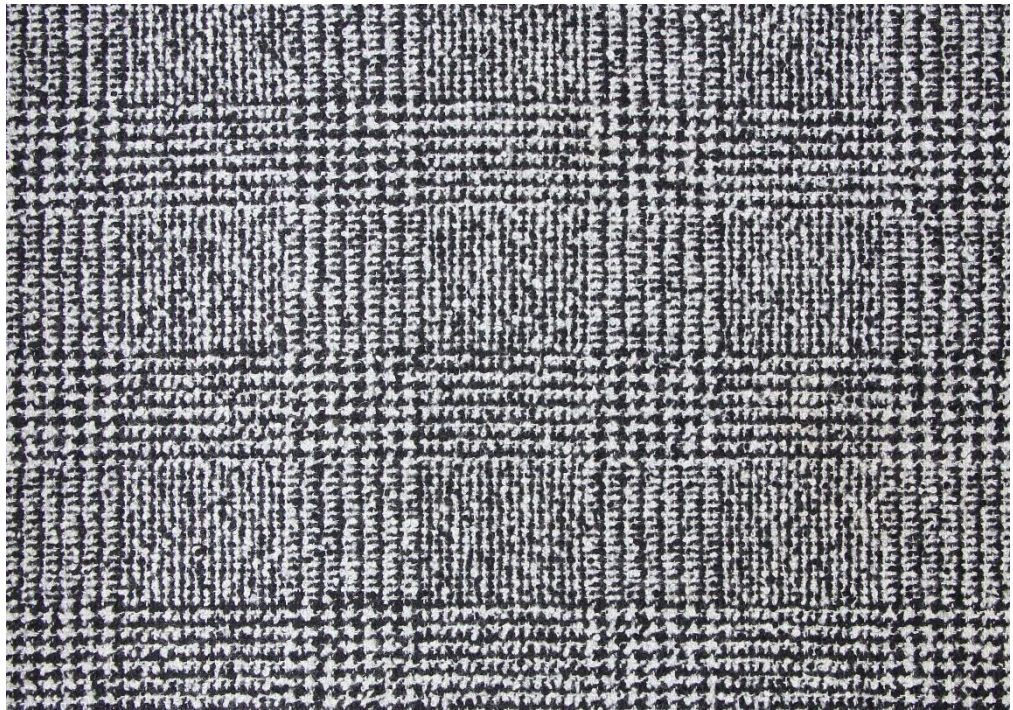

WHITNEY

Raw texture, balanced weave

WHITNEY features a raw, looped structure with a tactile texture that offers both visual weight and softness. Its irregular grid and tonal yarn mix create a handcrafted look that’s ideal for accent pieces.

Keywords: Raw, looped structure, tactile, softness, irregular grid, tonal yarn mix, decorative.

Weight (+/-)	470 GSM			
Abrasion Resistance	15,000 (Martindale)			
Usage	Cushion, Decorative			
Care Instructions				

ELBRUS

Grid disrupted; texture refined

ELBRUS features a loosely structured weave that hints at a grid, with intersecting yarn floats forming a subtly pixelated check pattern. Its surface texture combines softness with visual intrigue, making it a distinctive option for cushions and decorative panels in warm and cozy spaces.

Keywords: Loosely-structure, grid, yarn floats, pixelated, checks, cushions, light-use upholstery.

Usage	Cushion, Decorative			
Care Instructions				

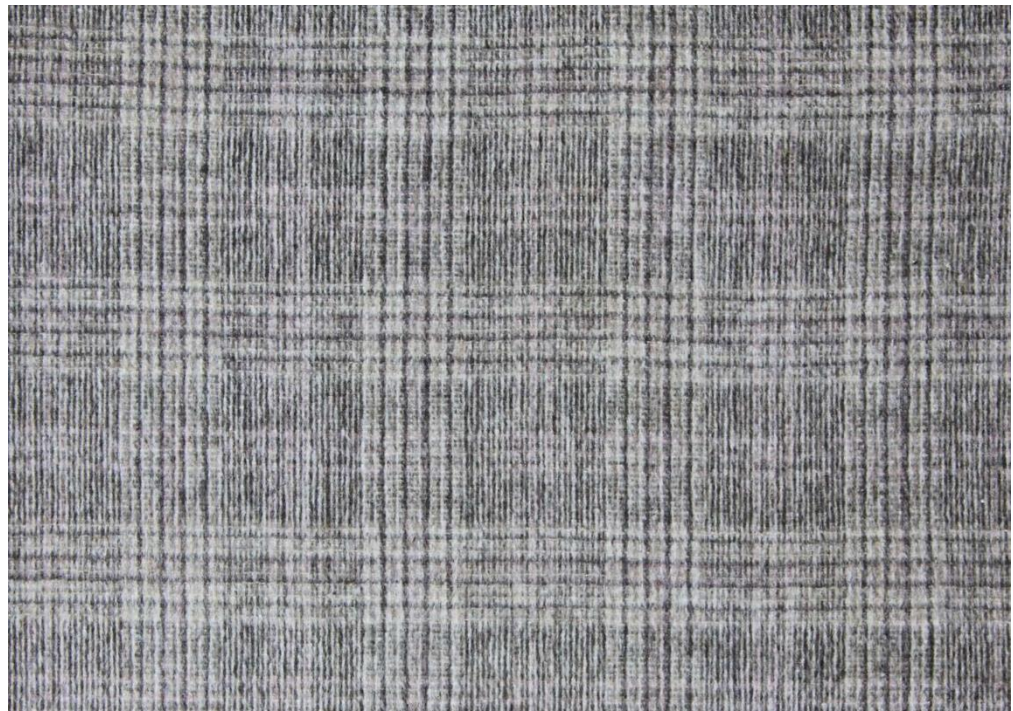

LOGAN

Soft volume, subtle form.

LOGAN stands out with its pronounced bubble texture and sculptural softness, shaped in pure wool. The pillowy surface adds volume and a tactile presence, making it ideal for decorative cushions or soft statement pieces. A structured backing supports the plush surface, allowing LOGAN to balance form with function—bringing a bold yet inviting aesthetic to contemporary interiors.

Keywords: Bubble, sculptural, volume, tactile, decorative, statement piece, 100% wool.

Usage	Cushion, Decorative			
Care Instructions				

BERNINA

Brushed warmth, balanced lines.

BERNINA features a softly structured plaid with a uniform grid and subtly brushed surface. Woven in a wool-dominant blend, its muted tones and gentle hand evoke a calm, composed aesthetic—ideal for decorative soft furnishings. A felt backing adds support while preserving softness, making it a aesthetic choice for low-traffic spaces.

Keywords: Plaid, uniform grid, brushed surface, wool-dominant blend, muted tones, decorative, soft furnishings, low traffic spaces, plush.

Usage	Cushion, Decorative			
Care Instructions				

EVEREST

Tactile rhythms of winter.

EVEREST presents a richly textured surface with a broken twill weave that blends light and dark yarns into a subtle, multi-tonal rhythm. Woven in a wool-heavy blend, its dense structure and tactile depth make it ideal for cushions and soft furnishings where character is key.

Keywords: Textured, broken twill, multi-tonal, wool-heavy, blend, cushions, rustic, contemporary.

Care Instructions				

CROWN

Cloaked in winter’s embrace

CROWN features a striking oversized houndstooth plaid pattern enriched with warm accents and a soft, brushed surface. Its dramatic scale and clean contrast create a bold statement, while a light felt backing ensures dependable performance across cushions, throws, and decorative pieces for interiors seeking a confident yet cozy accent.

Keywords: Houndstooth, plaid, brushed, dramatic scale, light felt backing, cushion, throws.

Care Instructions				

ATLAS

Lines that lead across a woolen landscape.

ATLAS is a refined herringbone pattern with a bold chevron structure that adds depth and directionality to any interior. Its wool-blend, tactile surface and sharp visual rhythm lend the character of a tailored textile, while ensuring dependable performance for accent furnishings that complements both modern and transitional design schemes.

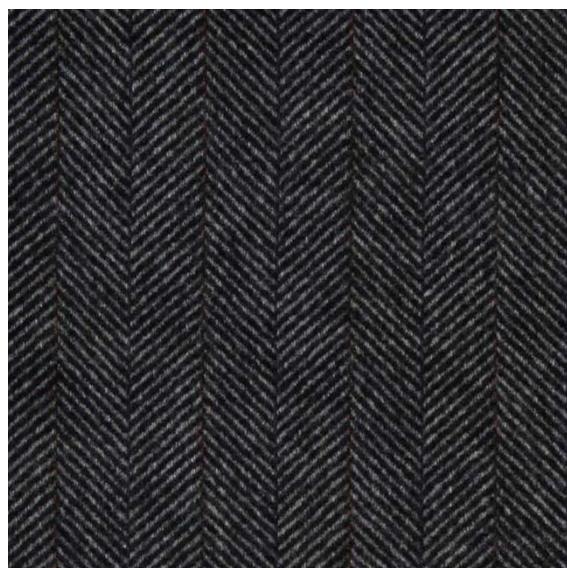

Keywords: Herringbone, chevron, directional, wool-blend, tactile, accent-furnishings, modern.

VINSON

Woolen whimsy nestled in the mountains.

VINSON features a high-density looped pile that creates a plush bouclé-like texture with relaxed depth. Made from 100% wool, its rich hand feel and subtle irregularity lend a laid-back character, ideal for decorative accents. With a sturdy backing, VINSON offers dependable light-use performance while adding cozy tactility and soft dimensionality to interior compositions.

Keywords: High-density, looped, pile, 100% wool, decorative, backing, light-use performance, cozy.
