Collection

TUNDRA

TUNDRA

by VFM DESIGN

Textures born from frost and whispered winds.

TUNDRA evokes the serene, resilient beauty of the vast northern wilderness—a place where rugged terrain and subtle textures exist in harmony. This collection weaves deep, dimensional surfaces with tactile richness, blending wool and synthetic fibers that reflect the layered tones of tundra landscapes. Designed for upholstery and decorative accents, TUNDRA offers durability and comfort, bringing grounded elegance to interiors by merging structured strength with plush softness. Ideal for modern spaces that value texture, contrast, and understated sophistication, TUNDRA pays tribute to nature’s enduring spirit beneath open skies.

WHISLER

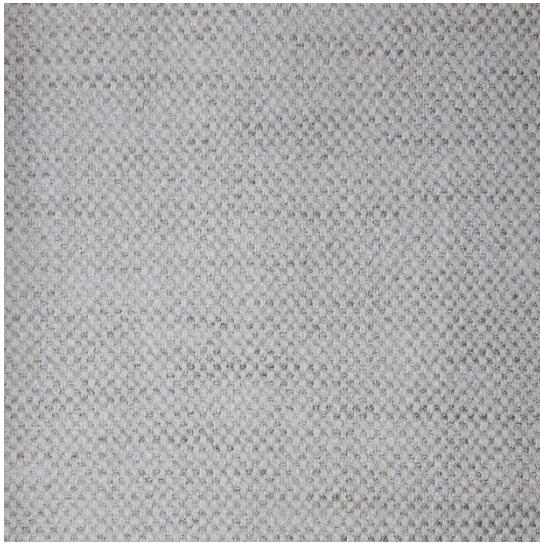

A quiet force of structure and stillness.

WHISLER brings quiet sophistication to interiors, reflecting calm strength of the earth. Its tightly woven, grid-like, raised texture is both refined and grounded. Made from a refined mix of fibers, it balances softness with durability. Perfect for cushions and upholstery, WHISLER offers a structured yet inviting feel, delivering understated elegance that quietly enhances residential and hospitality spaces alike.

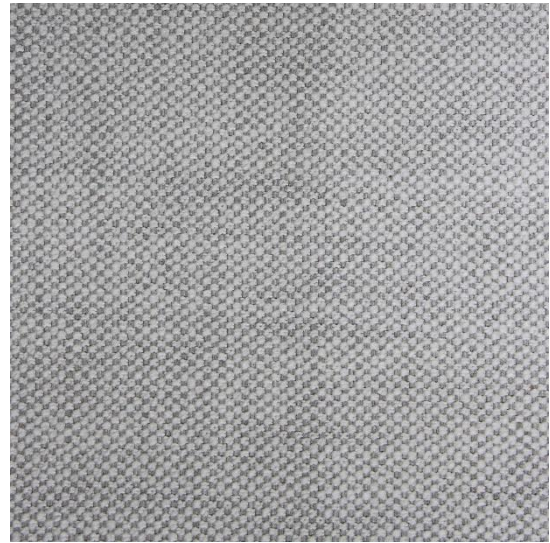

Keywords: Grid-like texture, raised surface, tightly woven, refined fibers, softness, durability, upholstery, cushions, understated elegance.

ODIN

Bold texture, relaxed character.

ODIN brings a distinctive chunky weave with boucle-style yarns and an organic, textural surface. Its high-low structure and softly variegated yarns offer a dynamic, handcrafted feel while maintaining the performance required for upholstery. ODIN is designed to dress lounges and scatter cushions, offering durability alongside its casual elegance.

Keywords: Chunky weave, bouclé yarns, organic texture, high-low structure, variegated yarns, handcrafted feel, upholstery, lounges, scatter cushions, visual richness.

ASGARD

Structured layers that stand the test of time.

ASGARD features a robust, textural weave with thick yarns arranged in a compact grid. Its dry, woolly hand and tactile density make it an ideal choice for upholstered seating and accent pillows where both texture and comfort are essential. ASGARD is well-suited to everyday use, offering a grounded, dimensional presence that pairs effortlessly with both structured and relaxed interior styles.

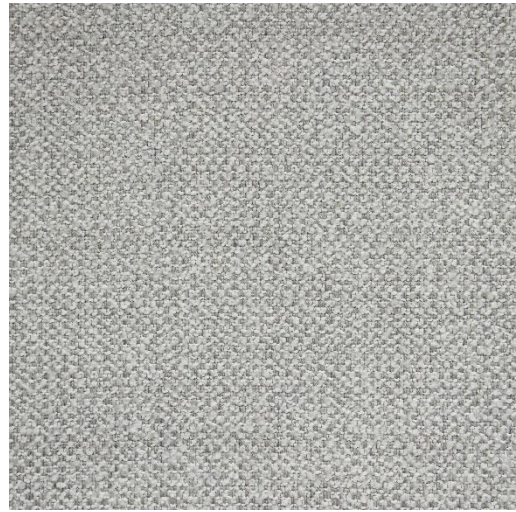

Keywords: Robust weave, thick yarns, textured grid, woolly hand, tactile density, upholstered seating, accent pillows, relaxed interiors.

BROOKS

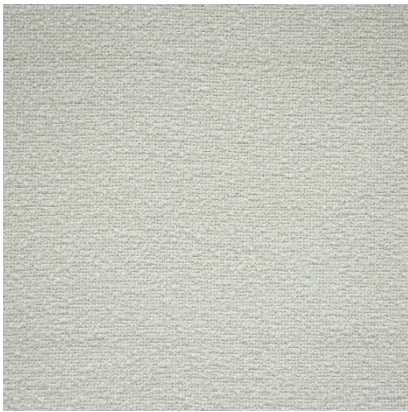

The view beneath Arctic skies.

BROOKS features a medium-scale, textured weave that blends multi-tonal yarns to create a surface rich in depth and nuance. Soft boucle accents contrast with a structured base, forming a balanced fabric that offers both visual rhythm and tactile warmth. Designed for upholstery and accent furnishings, BROOKS combines durability with woven softness, making it ideal for interiors that celebrate contrast, texture, and natural tones.

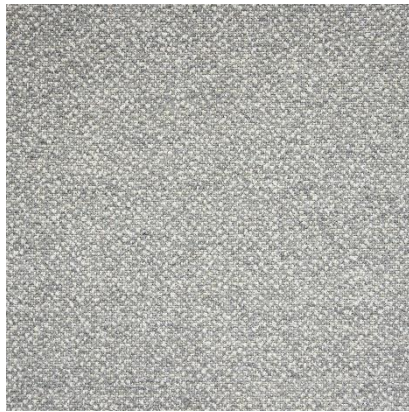

Keywords: Medium-scale weave, multi-tonal yarns, textural depth, bouclé accents, structured base, upholstery, accent furnishings.
