# GEMINI

by BAUMANN DEKOR

## Twin-born geometry for contract interiors

GEMINI is a modern jacquard upholstery collection for general contract environments, developed in Flame Retardant Polyester for dependable, high-traffic performance. Inspired by Geminus—Latin for “twin”—the collection explores balance and contrast through three graphic designs: STERNA, a star-led lattice with architectural clarity; KLEE, overlapping circles that echo the soft symmetry of a clover; and DADO, a dice-inspired block grid that plays with order and chance. Designed for upholstery and cushions, GEMINI brings a crisp, structured rhythm to hospitality, cruise, and high-end residential settings—working equally well as statement seating or as pattern coordinates alongside plains and textured companions.

## STERNA

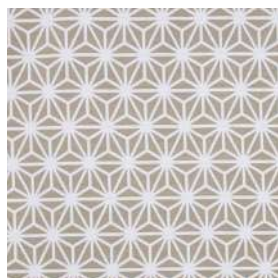

**Starburst geometry with contract-ready confidence.**

STERNA is a durable upholstery fabric for general contract use, offering reliable performance for everyday seating. Ideal for upholstered furniture and accent cushions, its repeating abstract geometric star forms an interlocking lattice, suitable as a standalone design or paired with plain and textured fabrics.

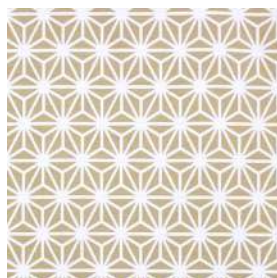

**Keywords:**

Durable, general contract, starburst, performance, all-over pattern, abstract geometric, interlocking lattice.

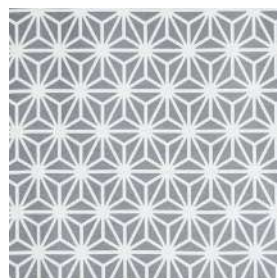

Article Reference	STERNA 70007			
No. of Colors	12			
Width (+/-)	140 cms			
Repeat (+/-)	Vertical	16.50 cm	Horizontal	9.00 cm
Composition	100% Polyester FR			
Weight (+/-)	475 GSM			
Abrasion Resistance (ca.)	40,000 Martindale			
Usage	Cushion, Upholstery			
FR Standard	Meets International FR standards. (Please contact us for more info.)

## KLEE

### A modern circle-play with a calm, graphic beat.

KLEE is a pattern-led chenille upholstery fabric inspired by the 4 leaf clover, reflected in the soft geometry of overlapping circles that read like a modern mosaic. Designed to perform beautifully on upholstery and cushions, KLEE works as a statement feature or a strong coordinate alongside plains and textures, bringing a modern energy to hospitality and high-end residential interiors.

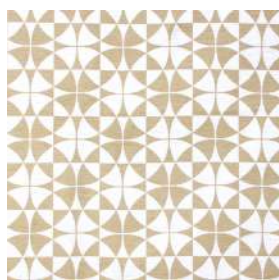

#### Keywords:

Circle play, overlapping, chenille upholstery, 4 leaf clover, soft geometry, hospitality, residential interiors.

## DADO

### A graphic grid of shifting blocks.

DADO is an upholstery fabric developed for general contract settings, inspired by the playful uncertainty of a dice. Its abstract square-block pattern plays with order and chance—building a pixel-like grid that feels contemporary and modular. Ideal for upholstery, cushions and decorative panels, DADO brings a confident graphic accent to interiors that appreciate dynamic energy.

#### Keywords:

Graphic, general contract upholstery, abstract square, dice, modular, dynamic.
