**WOLLENA**

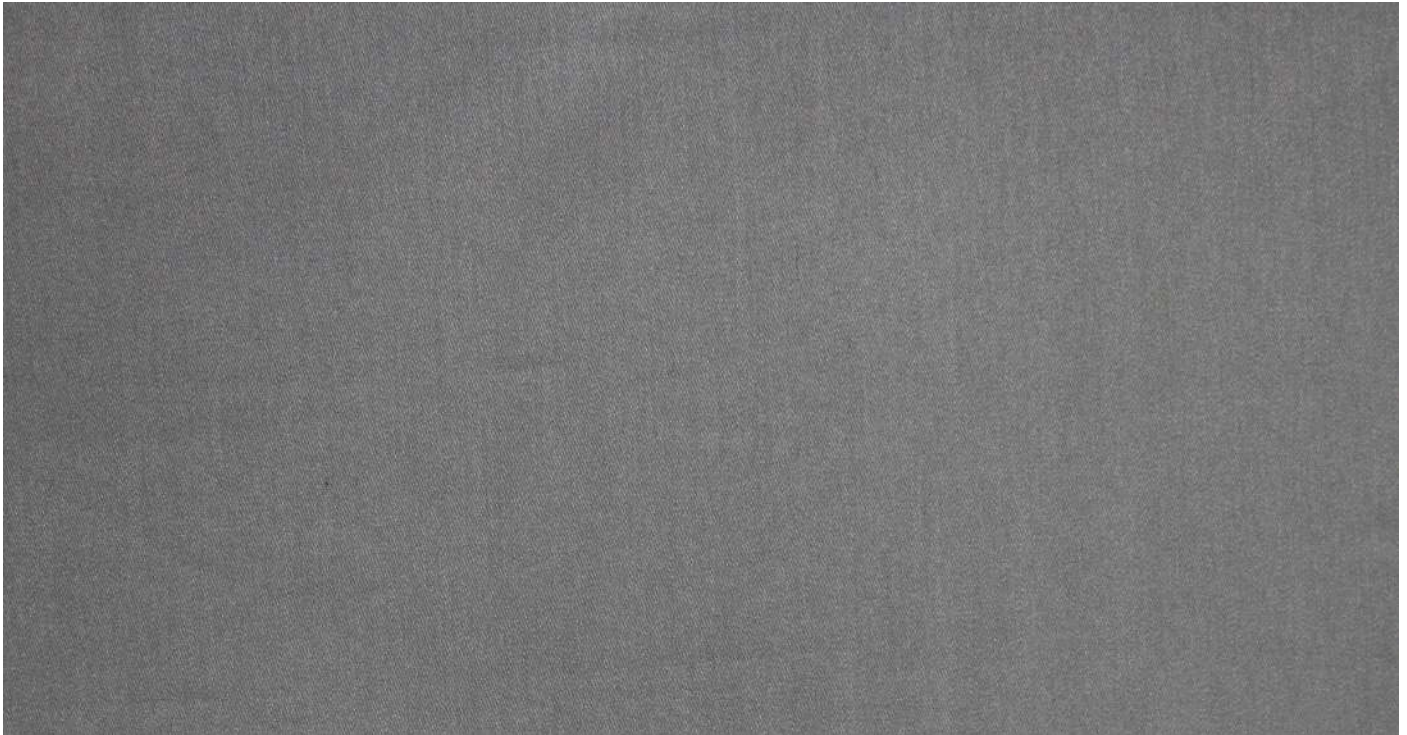

# WOLLENA

by BAUMANN DEKOR

**An elegant wool-satin look, that blends effortlessly in any designed interior.**

WOLLENA, offered in 40 vibrant colors, is a clean uni color fabric in a smooth, matte finish created to simulate a wool satin— simple and modest, but hard to ignore. With its FR polyester composition, it is a versatile foundation fabric for drapery, upholstery and cushions, ideal for interiors that rely on subtle texture, balance, and quiet sophistication. Whether used tone-on-tone or as a coordinating base in a design theme, WOLLENA offers a trendy palette for cohesive themes and seamless coordination.

## WOLLENA

**An elegant wool-satin look, that blends effortlessly in any designed interior.**

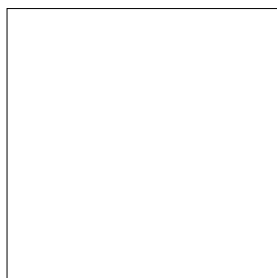

WOLLENA, offered in 40 vibrant colors, is a clean uni color fabric in a smooth, matte finish created to simulate a wool satin— simple and modest, but hard to ignore. With its FR polyester composition, it is a versatile foundation fabric for drapery, upholstery and cushions, ideal for interiors that rely on subtle texture, balance, and quiet sophistication. Whether used tone-on-tone or as a coordinating base in a design theme, WOLLENA offers a trendy palette for cohesive themes and seamless coordination.
